# TOWN WARRANT

---

## THE STATE OF NEW HAMPSHIRE

(L. S.)

*To the Inhabitants of the Town of Rye in the County of Rockingham in said State, qualified to vote in Town Affairs:*

*And to the Inhabitants of the School District in said Town of Rye, qualified to vote upon District Affairs, for the limited purpose of electing officers of the Rye School District at the annual Town Meeting, in accordance with procedures authorized by statute (RSA 197:1 a et, seq.) and adopted by the District at its March, 1962 Annual Meeting under Article 2 of that warrant.*

You are hereby notified to meet at the Town Hall in said Rye on Tuesday the eighth day of March, next at ten o'clock in the forenoon, to vote upon the following subject:

Article 1. To choose all necessary Town Officers for the year ensuing.

Article 2. To choose all necessary officers for the Rye School District in accordance with the statutory procedure adopted by said District at its March, 1962 annual meeting, to wit:

- a. To choose a Moderator for the Rye School District for the ensuing year.
- b. To choose a Clerk for the Rye School District for the ensuing year.
- c. To choose a member of the Rye School Board for the ensuing three years.
- d. To choose a member of the Rye School Board for the ensuing one year.
- e. To choose a Treasurer for the Rye School District for the ensuing year.
- f. To choose two Auditors for the ensuing year.

Article 3. On Petition of Robert V. O'Brien and ninety nine others:

Shall permission be granted to introduce fluorides into the Town of Rye water supplies.

The following subjects will be voted upon at the business meeting which will be held at eight o'clock P.M.:

Article 4. To see if the Town will authorize the Selectmen to hire money from the Trustees of Trust Funds.

Article 5. To see if the Town will authorize the Selectmen to hire money in anticipation of taxes.

Article 6. To see if the Town will vote to allow five percent discount on all property taxes on or before October 1, 1966.

Article 7. To see if the Town will vote to raise and appropriate the sum of \$400.00 for the Portsmouth-Kittery Armed Services Committee as the Town's contribution to support the work of said committee in support of the Portsmouth Naval Shipyard.

Article 8. To see if the Town will vote to authorize the Selectmen to lease Sawyer's Beach, so called, from the owners for another year.

Article 9. To see if the Town will vote to purchase an "After Burner" or smoke eliminator, so called to install on the Town's cone type refuse burner and to raise and appropriate sixteen thousand dollars (\$16,000.00) to defray the cost of purchase and erection thereof.

Article 10. To see if the Town will vote to authorize the Selectmen to purchase land for a new dump site, construct roads to same, build power lines thereto, install or obtain an adequate source of water for the operation and protection of same, dismantle the present refuse burner and erect it at the new site and to do all other things desirable or essential to accomplish this changeover to a new dump site, and to raise and appropriate the sum of thirty thousand (\$30,000.00) dollars to cover the cost thereof by issuing town notes or bonds in accordance with RSA Chapter 33, the "Municipal Finance Act," such actions to be taken and such funds to be so expended for this purpose only in the event that the final decree of the court directs that the Town discontinue the use of the present dump site or that the Town discontinue the use of the refuse burner at such site, or both.

Article 11. To see if the Town will vote to rebuild the bridge at Rye Harbor designated as bridge #135/075 by the State of New Hampshire Department of Public Works and Highways at an estimated cost of sixty five thousand five hundred dollars (\$65,500.00) and to vote to raise and appropriate the sum of thirty nine thousand three hundred dollars (\$39,-

300.00) as the Town's share of the cost by issuing town notes or bonds in accordance with RSA Chapter 33 the "Municipal Finance Act."

Article 12. To see if the Town will vote to raise and appropriate sixty thousand dollars (\$60,000.00) for the purpose of constructing an addition to the Rye Public Library in accordance with certain plans and specifications prepared by Edward B. Miles, Architect and to raise and appropriate the sum of forty five thousand dollars (\$45,000.00) by issuing town notes or bonds in accordance with RSA Chapter 33 the "Municipal Finance Act" as the Town's share of the cost and to accept the sum of fifteen thousand dollars (\$15,000.00) from the State of New Hampshire as its share thereof.

Article 13. To see if the Town will vote to authorize the Selectmen to convey, without charge, to the Rye School District those two parcels of land upon which the Center School, so called, is situated and being the same premises conveyed to the Town by two deeds, namely deed of Elizabeth W. Clemons to the Town of Rye dated June 27, 1918, recorded in the Rockingham County Registry of Deeds, Book 729, Page 3, and deed of Elizabeth W. Clemons to the Town of Rye dated August 14, 1933, recorded in said Deeds, Book 888, Page 117.

Article 14. On Petition of William E. Ashley and fourteen others:

To see if the people will vote to raise and appropriate the sum of ten thousand dollars (\$10,000.00) for the purpose of initiating the necessary action to obtain legal and unrestricted title to that section of ocean front property commonly known as Jenness Beach and more specifically described as Lot 16 on Plan 18 of Rye Tax Map.

Article 15. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

Article 16. On Petition of Elizabeth A. Greene and nine others:

To see if the town will vote to create an Historic District whose boundaries shall be those of the Central Village District as shown in the proposed zoning map prepared by the Rye Planning Board and submitted to the 1966 Town Meeting; and to create a seven member Historic District Commission; and to further authorize the Selectmen to appoint members to this Commission as provided in Chapter 178 of the New Hampshire Laws of 1963. Said Historic District and Historic District Commission shall have all the powers and duties established by Chap-

ter 178 of the New Hampshire Laws of 1963.

Article 17. On Petition of Beatrice Wheeler and nine others:

To see if the town will vote to add the following section to the Beach Ordinance approved by the Town at the March 1954 Town Meeting:

Section II, No dogs shall be allowed on the beaches of the Town of Rye from June 1st to October 1st of each year, between the hours of 8 A.M. to 8 P.M.

Article 18. To transact any other business that may legally come before this meeting.

*Polls will not close before six o'clock P. M.*

*Business meeting at eight o'clock P. M.*

Given under our hands and seal, this seventeenth day of February in the year of our Lord Nineteen hundred and sixty-six.

Article 14, Rye Beach Land	9,000.00
(NOTE: \$1,000.00 recommended)	

## Selectmen's Report

To The Inhabitants of Rye, New Hampshire:

To fulfill the recommendations of the Northeast Planning Associates, the firm of engineers that was hired to develop a "Ten Year Plan for the Town of Rye" and to give approval to the work of the Planning Board and the Town Attorney in revising our Zoning Laws to comply with these recommendations, the Town will be required to vote by printed ballot at our Town Meeting. There will be two public hearings held in regard to these changes prior to the Town Meeting of which there will be Public Notices posted and printed in the local newspapers. The Board of Selectmen approve of the adoption of the "Plan" and the revisions to the Zoning Laws as a step forward in the best interest of the Town.

The Selectmen note that there has been some improvement in the removal of junk cars in some areas of the Town. However, there are still some people who have not taken advantage of the opportunity to voluntarily clear up this unsightly situation before court action is taken to enforce the law in respect to these junk cars.

This year the Town of Rye has been involved in a law suit in regard to the smoke that is discharged from the burning of the refuse in our cone type refuse burner at the dump. A final decision has not yet been made by the court in this matter. However, the Selectmen feel that the installation of a smoke eliminator onto the present burner will give relief to the people that live in the West Rye area and we recommend the purchase and installation of this equipment.

Anyone that has had occasion to use the Town Hall in recent months and to see the results of the remodeling of the lower hall and the relocation of the toilets that have been accomplished over a three year period must feel a sense of pride for the Town of Rye in having these fine accommodations for public use.

The Selectmen wish to bring to your attention the

accomplishments of the Recreation Commission in the development of the "Rye Harbor Reservation" area for your outdoor activities enjoyment. We feel that as time goes by the Town of Rye will have a recreation area that they can be justly proud of.

In compliance with the favorable action taken on Article 13 of the Warrant for the Town Meeting of last March, the Selectmen, upon the recommendation of Mr. John E. Johnston, contracted with the firm of Mr. Herbert Hunt, Certified Public Accountant of Hampton, N. H. to conduct the audits of the accounts for the Town of Rye. This is working out very well as Mr. Hunt has had wide experience in auditing municipal accounts.

We wish to call attention to the excellent manner in which the Memorial Day exercises were conducted under the direction of the Rye Veterans of Foreign Wars.

We wish to express our sincere thanks to the officials of Saint Francis College for the donation of chairs for use at the Fire Station and at the Town Hall.

The members and officials of the Rye Ambulance Corps deserve a big "Thank You" from the citizens of Rye and we wish to commend them for the many hours of unselfish devotion that they give to this voluntary service for the townspeople of Rye.

We wish to thank the ladies of the RFD Auxiliary for their donation of equipment for use in the kitchen of the Fire Station and for the excellent meals that they served on Town Meeting Day and at the Rockingham County Fire Wardens Meeting.

DO NOT FORGET TO FILL OUT AND FILE  
YOUR PROPERTY INVENTORY IN DETAIL BY  
APRIL 15, 1966.

The Board of Selectmen hold regular meetings on the first Monday of each month for public business and at other times by appointment.

Respectfully submitted,

ROBERT B. GOSS,  
EDWARD L. GREENE,  
RALPH F. HAMMOND,  
*Selectmen*

HUNT'S ACCOUNTING SERVICE  
5 MORNINGSIDE DRIVE  
HAMPTON, NEW HAMPSHIRE

February 3, 1966

---

## Highway Agent's Report

To the Citizens of Rye;

The work of road maintenance is more or less routine and the same procedure is followed from year to year with as many changes for improvement as possible being added.

The increased amount in traffic in car and trucks, especially the large trucks have made year around maintenance a necessity and the need of men to do the work. The need of machines that can do the heavy work has become part of modern maintenance. While owning or hiring these machines cost a lot, many of the jobs we are doing could not be undertaken.

With our T.R.A. funds we have made some progress in rebuilding Big Rock Road and with good weather in the spring should complete the work before summer sets in.

The problems of drainage is still a big factor in highway damage and I feel that persons filling in lots should first show the Town that this fill is not going to cause another problem of drainage for the Town to handle. The Public Laws prohibits filling in land within the limits of

a highway or land in the vicinity of a highway in a manner that cause water to build up on the road.

We started one drain this fall on Wallis Road that should be finished in the spring if funds are raised to do it with. Another drain should be built on Sagamore Road to releave a bad situation there. These drains may not have been necessary had the filling of house lots not stopped the natural drainage.

Today the highway department performs many services shown in the breakdown of labor that were unheard of some years ago. These services sometimes require special machines and the department needs them and men who can operate them to meet the demand of our modern trend of living.

CHARLES P. GORDON,  
*Highway Agent*

## Fire Chief's Report

To the Citizens of Rye:

We have completed another year and with fire prevention practices and good control our losses were low.

In 1964 we had a very dry year yet our losses were kept low. 1965 will no doubt go down as the driest year in the memory of most of us. During this period we had some grass and brush fires start but the fine cooperation of people reporting fires and the fast manner in which our call men responded to assist our firemen helped to keep these fires small. We sent help to Portsmouth when they had a big fire which started from their dump which got out of control. While we are now part of large mutual aid setup I am always reminded of the many times Portsmouth Fire Dept. used to help us when we had little or nothing to fight fires with. It is still good to know they are ready and willing to assist us if the need arises.

I would like to take this opportunity to thank our call men for the way they responded to fires and for attendance to fire schools which are run in the State. The Meadow Wood School had an attendance in two days this year of over 600 firemen. The Lily Pond School operated by the Lakes Region Mutual Aid is growing all the time and will soon be one of the largest in the area.

The best way to fight fires is with fire prevention and I believe our citizens are doing their part.

I would feel I had not finished this report if I did not bring to mind the good work being done by the Fire Auxiliary who furnished meals for the Town Officers, Fire Wardens when they come to Rye as well as having coffee and lunches for firemen at fires. They also raise money to buy equipment for the fire station kitchen.

Your Fire Department answered fifty-eight calls during the year 1965, as follows:

6 chimney fires, 1 mattress fire, 12 grass fires, 5 building fires, 8 brush fires, 1 call to wash gas off road, 5 car fires, 2 tree fires, 1 call to the brush dump, 1 flooded oil burner, 3 calls to check out smoke, 1 lawn mower fire, 1 electric stove fire, 1 clothes dryer, 1 house trailer fire, and 1 gas explosion.

This department answered 8 mutual aid calls as follow: 4 to Portsmouth, 3 to Greenland, 1 to North Hampton. Portsmouth responded to Rye twice.

CHARLES P. GORDON,  
*Fire Chief.*

## Report of the Fire Warden

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

### WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush;
  - a. Always get a permit to burn from the warden.
  - b. Start your fire late in the day after 5:00 P.M.
  - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

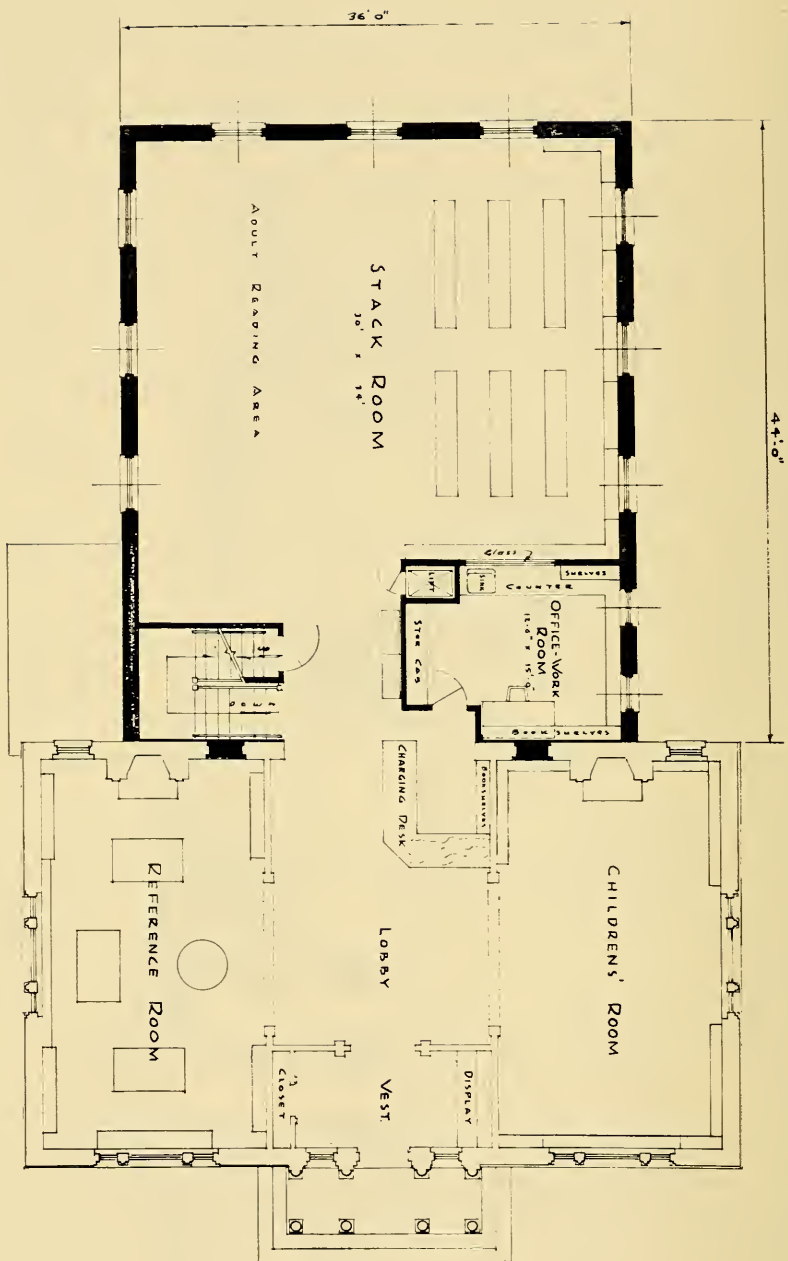

### FIRE RECORD FOR 1965:

	<i>Fires</i>	<i>Acres</i>
State	887	1,255
District	139	246
Town of Rye	5	4
Permits issued	301	

I wish to thank you for your cooperation during the past fire season and for our own Fire Department. I have

PROPOSED ADDITION TO RYE LIBRARY

PLAN OF FIRST FLOOR

## To the Voters of Rye

In the articles in the Town Warrant this year the Library Trustees are asking you to authorize an addition to the library and a bond issue of \$45,000.00 to build this addition. The Board presents the following material to help you in deciding whether Rye should approve this program.

### A. *The addition will provide —*

1. A stackroom adequate for present use and planned to take care of any future needs.
2. A workroom for the library staff, adequate for professional purposes.
3. A built-in desk to replace the present one, providing satisfactory space and facilities for receiving and discharging books.
4. Easy stairs to the ground floor, and toilet facilities on that floor adequate for the size of the building.
5. A children's room reading area in the half of the library now used as a stack room.
6. Expansion area on the ground floor for increased library services in the future.
7. Rear entrance on the ground floor.
8. An adult reading area.
9. Other expansion of library services.

### B. *The addition is being requested for many reasons.*

1. For several years the Trustees have publicly stated this need exists.
2. The population of Rye is three times what it was at the time the Library was built in 1910-1911.
3. The Library is severely overcrowded — as the Librarian's report makes clear.
4. Our library is very active as shown by our circulation, which equals that of the Hampton library which serves a much larger town.
5. The type of use now made of the building is changing and increasing. Reference work by our large high school group is of increasing importance, as is the information and material supplied to the local schools.
6. The addition as planned will in no way detract from the appearance of the present building or its neighborhood.

7. Additional space will make possible new and recommended library services — such as study groups, film and lecture events, etc.
8. Expansion of the library is of benefit and advantage to everyone using it. This includes summer residents as well as year-round taxpayers.
9. These plans were worked out by the Trustees and library staff, aided by representatives from the State Library staff, and drawn up by an architect selected by the Trustees.
10. \$15,000 in State aid has been granted contingent on the appropriation of \$45,000 by the Town. This aid might not be available again in an amount of this size.

C. Cost.

1. Breakdown of cost.

*Proposed Addition:*

First floor, 1584 sq. ft. @ \$18.00	\$28,512
Ground floor, 1584 sq. ft. @ \$12.00	19,008
Septic tank, flow field, grading	2,000

*Remodeling Existing Building:*

First floor: removal of attic and basement stairs, moving stacks to rear room, installation of new charging desk, etc.	2,000
Ground floor: isolation of furnace room (outside entrance), removal of stairs and toilet, partition for storage room.	1,000
Heating system	800

Construction cost	\$53,320
Architect's fee (7%)	3,732
Equipment	2,948

TOTAL	\$60,000
-------	----------

2. Source of funds.

Requested appropriation by Town of Rye	\$45,000
Federal Library Construction Fund	15,000

TOTAL	\$60,000
-------	----------

JOHN L. PARSONS  
 ELIZABETH A. GREENE  
 THEODOSIA WYATT  
*Board of Library Trustees*

only words of praise for the fine work they have done at home and in adjoining towns.

E. LEROY GREENE,  
*Forest Fire Warden*

## Municipal Court

This past year was the first year of operation for the Court under the new District and Municipal Courts law. All cases heard by the Court originated within the boundaries of the Town of Rye.

There were 278 cases disposed by the Court during the year. Two of these cases were classified as felonies, and the remainder were misdemeanors. Two hundred and sixty cases were presented by the Rye Police Department and eighteen cases were brought by the N. H. State Police

and the N. H. Fish and Game Departments.

The cases ranged from driving while under the influence of intoxicating liquor, to stop sign violations and violations of town ordinances. The majority of cases were for speeding and solid line violations.

The Court extends its thanks to the Selectmen and the many residents of Rye for their assistance and cooperation during the past year.

Respectfully submitted,

CHRISTOPHER S. CHRISTO,  
*Clerk*

# Rye Police Department

## TO THE CITIZENS OF RYE:

I wish to express my appreciation to everyone who assisted this department during the past year.

As can be seen from the following report this department had a busy year. Our beaches are used by more and more people every year. The three areas restricted to use by residents of the Town have worked out very well as intended, they have also added to the work load of this department.

This year I was able to obtain a Radar Speed Timer. This is used not only to clock speed violators but is also used to do a survey of speed on any street or road in the Town after complaints are received of excessive speed in these areas.

The following is a list of offenses and miscellaneous items that were handled by this department during the past year:

### COURT CASES

#### *Criminal:*

Minors with beer or liquor in their possession	20
Selling or procuring beer or liquor for minors	2
Breaking and Entering	1
Rubbish on Highway	9
Drunk	2

## Health Officer's Report

During the past year no cases of reportable communicable diseases were reported to me.

Overflowing septic tanks and the installation of septic tanks seem to have been the main concern of the Health Officer during the past year.

Respectfully submitted,

WALTER M. ANDERSON, M. D.  
*Health Officer*

---

## Planning Board

As a part of the comprehensive Town Plan which the Planning Board has concerned itself with over the past three years the complete revision and up dating of the Rye Zoning Ordinance has been accomplished. This will be submitted to the voters at the March Town Meeting and it is the sincere hope of the Planning Board that the voters will accept this much needed revision and strengthening of the Zoning Ordinance. In accordance with State Statute a public hearing on the proposed zoning changes was held at the Town Hall on Wednesday, January 19, 1966 at 8 p.m. This was attended by some fifty people and the entire zoning code was explained with large maps of the proposed new zoning and the existing zoning. The ordinance was read and explained page by page and the voters given every opportunity to add amendments and express opinions relative to the zoning proposals. A final public hearing will be held on February 7, 1966 to present the final amended zoning ordinance. In general the zoning represents an increase in lot area, frontage and depth requirements, provisions for more new districts, adequate sewage requirements, adequate compensation for the building inspector and the deputy building inspector and elimination of loopholes and inequities in existing zoning.

Our town is growing and with it the need for ade-

quate control of land usage is apparent to protect all taxpayers and provide for an asthetic, orderly and healthy development with adequate open air spaces, sanitary provisions and recreational provisions. It should be pointed out that the existing zoning has many loopholes which urgently need correction and beefed up enforcement sections which will eliminate these flagrant violations. Your Planning Board has given this much time and effort and hope the town meeting will see fit to adopt it. Copies of the proposed changes and a map depicting it are available at all three post offices, the town clerks office and the fire station and will be on display at the Town Hall on Town Meeting day.

The Planning Board thanks retiring member Howard Griffin for his many years of devoted service to the Town Planning Board and welcomes new member Leon Valley who has been a valuable addition to the Planning Board. We express our sincere thanks to Dave Scott of the State Planning Department for his advice and help; to the Board of Adjustment for their advice and comments; to the Selectmen for their ever generous help and council and especially to Attorney Richard Dill for his expert help, advice and legal guidance in preparing the revised zoning code and finally to the members of the Planning Board for the hours upon hours they have devoted in service to our beloved community to make Rye a better, more attractive, healthier town in which to live and raise our families.

ROBERT V. O'BRIEN,  
*Chairman*

---

## **Report of the Board of Adjustment**

The members of the Rye Board of Adjustment are Captain Laurence S. Stewart, Chairman; E. Pete Tucker, Philip S. Drake, Eric N. Ebbeson, and Gerald F. Giles, Clerk. The Board meets twelve times a year in regular session on the second Tuesday of each month at the Rye

Town Hall, providing there is business to be conducted. In addition the Board holds such public hearings and special sessions as are necessary. Forms for petitioning for a variance from the terms of the zoning ordinance may be obtained at the town office in the fire station or from a member of the Board.

Respectfully submitted

GERALD F. GILES,  
*Clerk*

---

## **Report of Library Trustees**

In March of 1965 the Board of Library Trustees welcomed to its membership Theodosia Wyatt, replacing Francis Sykes, retired. The Board is indebted to Mr. Sykes for setting up and organizing an excellent system of keeping the Library financial records. Mrs. Wyatt has had extensive experience in library work, and is a valuable and valued addition to the Board.

By vote of the Board, the Rye Library has joined the new statewide library system. The Board and Staff feel this membership will be of increasing value to our patrons. The recataloging of the book collection is proceeding satisfactorily, and at very little expense to the taxpayer. It is helpful that, under the centralized services now supplied to member libraries by the state, all books purchased thru the state come with catalog cards. This is a considerable saving in time and cost. Some weeding remains to be done in the attic area this spring.

The Library Trustees are requesting the town to authorize a \$60,000.00 expenditure for a badly needed addition to the library building. The State Library Commission, in response to an application from the Rye Trustees, has voted to grant  $\frac{1}{4}$  of the cost of the addition (up to \$15,000.00) to the town. This grant is contingent on the appropriation by the town of the balance at the March

15, 1966 town meeting. Since the Trustees hold a \$500.00 bequest from Miss Gurdy for a children's room, the amount to be raised by the town would be \$44,500.00.

The Trustees have repeatedly these last years, called the attention of the residents of Rye to the need for increased space in the library building. Our library compares very favorably, by all accepted standards, to other libraries in New Hampshire, in salaries paid to Staff and in money spent in improving and increasing the book collection. Our building is much more attractive than many, and fits beautifully into the architecture of the town, but we are prevented by lack of space from offering any service but book circulation. We can offer none of the newer recommended services for a modern library, and this is regrettable in a town as large and progressive as Rye.

Plans for the proposed addition have been drawn by Edward Miles of Exeter. They are available at the Library and the Trustees will gladly show and explain these plans to any interested group on request. The Trustees sincerely hope that at this town meeting the voters will act favorably on the request for the library addition. We are sure that a visit to the Library and a discussion with the Staff and/or the Trustees will help you to realize how badly this addition is needed.

The Trustees are recommending that the Staff work an extra day each week in order to keep up with the increased work load and complete the recataloging of the book collection. None of this work can be done during the hours the Library is open to the public. This change will require an increase in salaries.

The Trustees commend the Librarian, Mrs. Trefethen; and her assistant, Mrs. Leach, for the excellent service they have provided to the public. We are pleased that Mrs. Leach attended a training course last fall; thus improving her professional qualifications. We appreciate Mrs. Trefethen's willingness to take time from her busy schedule to help with the planning for the regional setup of the new state system.

Respectfully submitted,

ELIZABETH A. GREENE,  
JOHN L. PARSONS,  
THEODOSIA WYATT,  
*Trustees*

---

## **Librarian's Report**

Early in 1965 after much thought and consideration, the Rye Library joined the Statewide Library Development Program as an Affiliated Library. By so doing, our local library is now able to enjoy many advantages available under this system. Book ordering and purchasing may be done through the State Library at higher discount rates. Centralized cataloging, done by an expert staff at the State Library is furnished free of charge for all newly purchased books. To date we have found these services efficient, prompt and beneficial. At the time of joining, each new member library received \$125. worth of basic reference books from funds provided by the State Library under the Federal Library Services and Construction Act. These books were carefully chosen by your librarians from a very comprehensive list of up to date reference works and have added much to our collection. Many other advantages will be forthcoming as the Statewide Program develops and we feel certain that Rye and the 174 other Affiliated Libraries will benefit greatly. During the year, your librarian has attended many meetings held in connection with this new system and has served on one of its committees.

Crowded conditions at the Library become more acute each year. It is impossible to provide the services we should under such conditions. This year we have actually had to curtail book purchasing and Bookmobile borrowing because of lack of space for the shelving of these books. Our reading room is often inadequate because it has to be used for so many purposes—a study hall for young people,

a reading room for adults and a work room for the staff. Despite constant weeding our bookshelves are filled to overflowing. We deplore the fact that in the adult section we have found it necessary to put books on the very lowest shelves. These are so close to the floor and the aisles between the stacks so narrow that it is very difficult for patrons to read the titles on the books. It is equally difficult for the librarians to shelve books at this level. We have a fine collection of children's books, but it is certainly much too large to be housed in one small section of the main stack room as it is now. These books cannot possibly be displayed or used to proper advantage. It is especially difficult for the many teachers and parents who come to select books for their youngsters.

It is sincerely hoped that, at the March 1966 Town Meeting, townspeople will approve the plans and recommendations for library expansion which will be presented, especially in view of the fact that the Library Commission has assured us that we will receive \$15,000 of federal construction aid funds if the town votes the necessary additional funds.

During 1965, our circulation has remained at a high level. Of the 27,304 books circulated, 10,664 were children's books, 10,581 adult fiction and 6334 adult non-fiction. 275 of the non-fiction books were borrowed through the interlibrary loan service of the State Library, in answer to specific requests from patrons. People are becoming more and more aware of this excellent service and there is seldom a library day when we do not send to the State Library for specialized material.

600 books were added to our collection this year and 400 books were borrowed from the Bookmobile. We also have an unusually fine selection of current magazines which we urge people to borrow. Back numbered periodicals indexed in the Reader's Guide to Periodical Literature are systemically stored in the basement. These are a source of much valuable reference material and are also available for borrowing.

Reference work continues to be of major importance, especially with the school children. Students of all ages use our encyclopedias, reference books and magazines. Each day we are bombarded with questions and, in helping with research, we ourselves learn many things.

Recataloging of the entire book collection is progressing slowly. It is a long, meticulous job and one of many that cannot be done during library hours.

Our Assistant Librarian, Mrs. Clark Leach, has served our patrons with efficiency and cheerfulness throughout the year. Recently, she has completed a course in cataloging offered by the State Library. This course was given in Manchester and required a trip to that city one day a week for ten weeks. She has also accompanied me to a number of the book selection meetings sponsored by the State Library. We appreciate Mrs. Leach's interest in her work and her efforts to increase her knowledge concerning it.

We are always grateful for the assistance of our former Librarian, Miss Marjorie Chapman. She has substituted during vacations and illnesses, helped with the recataloging, and assisted in many other ways.

Several local organizations have shown their continued interest in the Library by their generous gifts. The Rye Tuesday Club and the Rye Junior Women's Club have contributed money. The Rye P.T.A. has once again given a subscription to the P.T.A. Magazine, and the Ladies' Auxiliary of the Seacoast Veterans of Foreign Wars has given two copies of *The Heart of America*, a book about the Constitution of The United States. Many individuals have also given books, magazines and money. We would like to express here our appreciation and thanks for all these gifts.

Respectfully submitted,

HELEN H. TREFETHEN

## Rye Ambulance Corps, Inc.

The Rye Ambulance Corps has now completed four years of service to the town. These short years have seen the growth of the corps from a small group of men with a project they believed would work to a working organized and highly trained corps of volunteer men and women. In these four years the corps has completed 437 trips of all types, at all times, of the day and night, in all types of weather and, may I stress, at no pay.

As First Aid is the prime factor in the operation of the Corps, we are ever grateful for the fine training received from Dr. Sidney Baker, Dr. Isaac Katz, Dr. William Bradley and Dr. Chien-Min Chen; our Commander and Deputy Commanders respectively. Also, to the other fine doctors from the Portsmouth area who have been such a help to us. The Corps meets every Wednesday evening at 8:00 P.M. at the Fire Station. An extensive course on First Aid to the injured is given on these nights for approximately 21 weeks by the above named physicians. This course is open to any adult in the area.

In the year 1965 we made 114 trips. They include trips to the following hospitals:

Portsmouth Hospital	98
Exeter Hospital	7
Portsmouth Naval Hospital	4
Concord State Hospital	1
Mass. General Hospital, Boston, Mass.	1
Newton-Wellesley Hospital, Wellesley, Mass.	1
Huggins Memorial Hospital, Wolfeboro, N. H.	1
Lowell Hospital, Lowell, Mass.	1
Total	114

We now have a subscription membership of approximately 550. The subscription rate will remain this year at \$3.00.

Again we would like to express our thanks to Mrs. Jennie Perry, Richard Eaton, Edwin Bromfield and Leon-

ard Brown for their wonderful cooperation in dispatching the ambulance crews.

Respectfully submitted,

IAN A. JOHNSTON, President  
*Rye Ambulance Corps, Inc.*

REPORT OF THE  
RYE RECREATION COMMISSION  
TO  
BOARD OF SELECTMEN  
RYE, NEW HAMPSHIRE

The Rye Recreation Commission was created by the townspeople of Rye at the town meeting in March 1965 as a result of the adoption of section 3 of Article 7 of the town warrant. Section 4 of Article 7 charged the commission with the responsibility of the development of the area known as Rye Harbor Reservation as a central municipal recreation area and voted funds for that purpose.

The recreation area now lists as its assets, the following:

1. A paved access road into the area.
2. Roads and paths within the area.
3. Two small parking areas.
4. A developed picnic area.
5. Ten standard picnic fireplaces with grates.
6. Ten picnic tables.
7. Ten rubbish barrels
8. A designated functioning Boy Scout area.
9. A small functioning skating rink.
10. Electric power and lighted skating area.

Available funds did not permit the construction of a playground and/or activities area.

The things listed above were accomplished by the

expenditure of funds voted under Section 5 of Article 7 of the town warrant as well as a result of some timely contributions. There were contributions of services and materials which amounted to approximately \$1,100.00 made by interested local firms and individuals. Their help is hereby acknowledged with grateful appreciation.

It is clearly indicated that the intent of the creation of the commission was to generate the development of the recreation area property and further oversee the construction and the development of the recreational facilities by others on this property. Therefore, consistent with this intent, and consistent with past procedure, in order to further develop the property, the following recommendations are made.

1. To construct a playground and/or activities area.
2. To clear a path approximately fifteen feet in width which, in so far as is practicable, will approximate the perimeter of the property. Its purpose to be a general access road, a fire access road, a bridle path, and a hiking and nature trail.
3. To construct a gate at an appropriate place on the access road.
4. To construct a well.
5. To construct a small building for toilet facilities.
6. To clean out additional brush in picnic area.
7. To clean out area of fallen trees and branches.
8. To generally maintain existing facilities.
9. To make available the sum of \$5,800.00 to accomplish these recommendations.

The members of the Rye Recreation Commission feel they have been privileged to serve in their capacity as commissioners. They further feel that they have, as they were directed, coordinated all efforts expended during the past year in connection with the development to the best

of their ability. Therefore, again consistent with the intent of the function of this commission respectfully requests your favorable consideration of the recommendations contained herein.

Respectfully submitted,

FERRIS G. BAVICCHI  
SUSAN CLARK  
ESTELLE R. READON  
FRANCES GOSS  
ROGER E. COLBERT  
ROBERT O'BRIEN, D.M.D.  
JOHN HAYES JR.

Submitted January 18, 1966

## **Rye Conservation Commission**

The calendar year of 1965 has seen the adoption, on March 9, of a conservation commission for the Town of Rye, according to New Hampshire's Enabling Act of 1963-RSA 36-A: 1-6.

Since the appointment of commission members in April by the Selectmen, nine (9) meetings have been held and records kept of same.

In order to qualify as a recommending body the commission has studied and discussed the requirements of the Enabling Act.

An index of all open spaces within the Town of Rye is in the process of being made. Separate maps indicating open areas, soil and capacity, and specific water shed areas should be completed and available during the 1966 calendar year.

To further our knowledge and appreciation of the conservation picture, one or more members have attended four (4) "out of town meetings" on the various aspects of conservation, a hearing on water pollution at Rye Town

Hall, and have been guided through some of our open areas by Fish and Game representatives. The commission has also studied the Planning Board's 1964 report on the Town of Rye.

On January 17, 1966 the commission held an open meeting at the Center School, to which the neighboring conservation commissions, Townspeople and those interested were invited. Speakers were Ruth Stimson, chairman Hampton Conservation Commission; Richard Pinney, Conservation Officer N. H. Fish and Game, and Forrest Fogg, Biologist, N. H. Fish and Game Dept. A film "Marshlands are not Wastelands" was shown.

The commission looks forward to specific accomplishment in 1966 in the way of land acquisition, further programs of education and recommendations for the use of our natural resources. These accomplishments to be based upon further study, which will include an attempt to evaluate the continuing results of biological research, as it applies to the open spaces in our area.

We recommend at this time:

Any plan Proposing the subdivision of land, which in any way involves open marshlands, swamps, and all other wet lands, be submitted to the Rye Conservation Commission before any final decision be made on the request by the Zoning Board. This to give the commission the opportunity to evaluate and recommend regarding such a proposal.

Any marsh land wherever located and taken for tax delinquency, since the establishment of this commission, March, 1965, be listed annually with this commission. commission for their inventory of the town's wetlands, as required by Enabling Act.

Respectfully submitted:

HOPE WRIGHT  
PHILIP DRAKE  
JAMES McMAHON  
VIRGINIA NOLD

JOHN PHILLIPS  
GEORGE STEINHILBER  
NORMAN BEANE

## **Report of Trustees of Trust Funds**

During 1965 three new funds were received and placed under a new category of Miscellaneous Funds. The first was the Daniel Austin Fund. This was established during 1856 to maintain a fully stocked medicine chest in the Town of Gosport for the use of its inhabitants and other persons who might become ship-wrecked on the coast. Since a portion of the Isles of Shoals known as the Town of Gosport was annexed to the Town of Rye in 1876, this fund, inactive for many years, was turned over to the Trustees of Trust Funds. The value of this fund has grown from \$100.00 to \$1,058.28. During the next year a medicine chest will be placed on the Isles of Shoals, and the purpose of this fund will be carried out.

Other funds in this category are Capital Reserve Funds for both the Rye School District and the Town of Rye.

Another point of interest is that \$1,295.49 was turned over to the Library Trustees for the purchase of new books.

Fifteen new funds were established for the perpetual care of cemetery lots.

Respectfully submitted

JOHN L. PARSONS  
RALPH W. EATON  
MELVIN R. LOW

# 1965 REPRINT

## TOWN WARRANT

### THE STATE OF NEW HAMPSHIRE

---

(L. S.)

*To the Inhabitants of the Town of Rye in the County of Rockingham in said State, qualified to vote in Town Affairs:*

*And to the Inhabitants of the School District in said Town of Rye, qualified to vote upon District Affairs, for the limited purpose of electing officers of the Rye School District at the annual Town Meeting, in accordance with procedures authorized by statute (RSA 197:1 a et, seq.) and adopted by the District at its March, 1962 Annual Meeting under Article 2 of that warrant.*

You are hereby notified to meet at the Town Hall in said Rye on Tuesday the ninth day of March, next at ten o'clock in the forenoon, to vote upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing.

Article 2. To choose all necessary officers for the Rye School District in accordance with the statutory procedure adopted by said District at its March, 1962 annual meeting, to wit:

- a. To choose a Moderator for the Rye School District for the ensuing year.
- b. To choose a Clerk for the Rye School District for the ensuing year.
- c. To choose a member of the Rye School Board for the ensuing year.
- d. To choose a Treasurer for the Rye School District for the ensuing year.

The following subjects will be voted upon at the business meeting which will be held at eight o'clock P.M.:

Article 3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Article 4. To see if the Town will authorize the Selectmen to hire money from the Trustees of Trust Funds.

Article 5. To see if the Town will authorize the Selectmen to hire money in anticipation of taxes.

Article 6. To see if the Town will vote to allow five percent discount on all property taxes on or before October 1, 1965.

Article 7. To see if the Town will vote to accept the recommendations of the committee appointed in accordance with Article 12 of the warrant for the 1964 annual Town Meeting as follows:

1. To vote to authorize the Selectmen to lease Sawyer's Beach, so called, from the owners for another year.
2. To vote to restrict parking on the extensions of Wallis Road and Cable Road, east of Ocean Blvd. to the use by residents or taxpayers of the Town of Rye and by permit only and to amend the parking ordinance of the Town of Rye to the effect as more particularly set forth hereinafter in this warrant.
3. To vote that the necessary steps be taken to create a commission known as the Rye Recreation Commission. That the Commission consist of seven members, six appointed by the Board of Selectmen and the seventh member being the Chairman of the Rye Planning Board. That initially the Board of Selectmen appoint two members for one year, two members for two years, and two members for three years. That annually thereafter, two members be appointed for a three year term by the Board of Selectmen. That the Commission elect its own chairman and any other officers it deems necessary to best accomplish its function. It is intended that the function of this commission be specifically that it concern itself with all that which has to do with recreation in the Town of Rye and that it have general supervision of all Town lands, buildings and facilities reserved or accepted for recreational use by the Town or its Selectmen, subject only to approval of the Selectmen.
4. To vote that the area known as the Rye Harbor Reservation be considered as a central municipal recreation area and initial development be started in the spring of 1965 as follows:
  - a. To construct a road on the existing right of way from Locke Road into the property.
  - b. To clear and grade an area for purpose of parking cars.

- c. To construct a playground area.
  - d. To construct an area designed for picnic use.
  - e. To designate an area, as soon as possible, for use as a Boy Scout camping and training area.
  - f. To designate an area, as soon as possible, for use by the Rye Rifle Club for the construction of a permanent rifle range, practice and training area.
5. To vote to raise and appropriate the sum of \$4,500.00 to accomplish the aforementioned recommendations of this article.

Article 8. If Paragraph 2 of the foregoing article is favorably acted upon then:

To see if the Town will vote to amend the parking ordinance adopted under Article 10 of the Town Warrant for the annual Town Meeting of March, 1956 as follows:

- 1. To amend Section 2f (Rye Beach Precinct) by adding the words at the end thereof "by permit only" so that the same shall read as follows:
  - 2f. Parallel parking on east side of Ocean Blvd. from a point 100 feet north of Schlott property to William Brown property, by permit only.
- 2. To amend Section 3d (Jenness Beach Precinct) by adding the words at the end thereof "by permit only" so that the same shall read as follows:
  - 3d. No parking south side Cable Road Extension from Ocean Blvd. to beach and parallel parking on north side of Cable Road Extension, by permit only.
- 3. To amend Section 4 (Rye Water District) by adding a new subsection d to read as follows:
  - 4d. No parking south side of Wallis Road Extension from Ocean Blvd. to beach and angle parking on north side of Wallis Road Extension, by permit only.
- 4. To further amend such parking ordinance by adding a new Section 10 to read as follows:
 

"In certain areas, the Town may designate that parking shall be restricted to the use by residents and taxpayers of the Town of Rye who are in possession of a valid permit for such purpose. The Selectmen shall determine the terms upon which such permits shall be issued, unless the Town shall otherwise designate".

Article 9. To see if the Town will vote to establish a Capital Reserve Fund in accordance with RSA 35:1 to 35:18 as amended for the purpose of accumulating funds for the purchase of a fire truck or trucks as Town needs may require together with such necessary pumps and equipment as may be required from time to time by the Board of Fire Underwriters, and to raise and appropriate the sum of five thousand dollars (\$5,000.000) for this purpose.

Article 10. On petition of Hope Wright and 30 others

To see if the Town will establish a Town Conservation Commission as set forth in RSA 36-A.

Article 11. On petition of Helen S. Shaw and eleven others:

To see if the Town of Rye, New Hampshire will vote to accept Appledore Avenue as a public highway and to raise and appropriate the sum of twelve hundred dollars (\$1,200.00) to place said road in acceptable condition.

Article 12. On petition of Joseph O. Varrell and nine others:

To see if the Town will vote to accept the street known as Harborview Drive, so called, off and intersecting at two places with Wentworth Road in the Town of Rye, together with certain drainage easements and drainage lines draining said Harborview Drive and for such purpose to accept a Warranty Deed from Seybolt Realty Corporation to the Town of Rye, dated December 29, 1964, conveying said Harborview Drive, drainage easements and drainage lines to the Town of Rye.

Article 13. To see if the Town will vote to authorize the Selectmen to contract with the Municipal Accounting Division of the State Tax Commission or a firm of certified public accountants for the purpose of conducting the annual audits of the financial accounts of the Town and at other times as the need occurs.

Article 14. To transact any other business that may legally come before this meeting.

*Polls will not close before six o'clock P. M.*

*Business meeting at eight o'clock P. M.*

Given under our hands and seal, this seventeenth day of February in the year of our Lord nineteen hundred and sixty-five.

RALPH F. HAMMOND,  
ROBERT B. GOSS,  
EDWARD L. GREENE,  
*Selectmen of Rye*
